"The cause of barbershop singing is lifelong, and beyond the span of any one man. If I can have done one great thing, it will be to champion that cause forward for another generation."

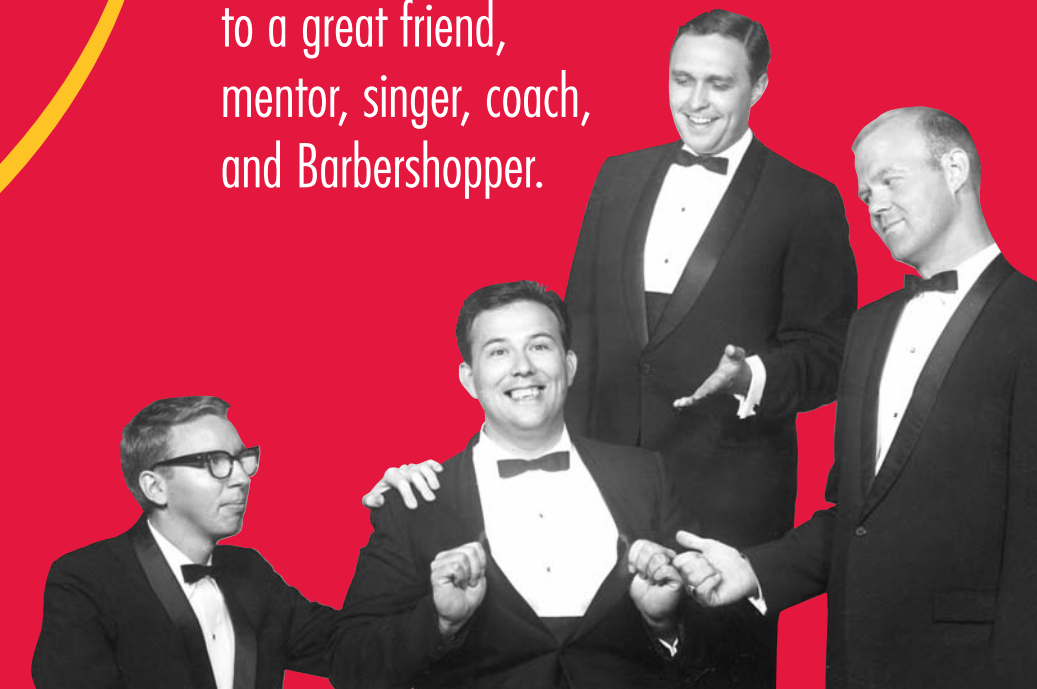

—Darryl Flinn, a.k.a. "D"

Please join Darryl's friends in making a

LIVING TRIBUTE

to a great friend,
mentor, singer, coach,
and Barbershopper.

Please share Darryl's love of harmony, and the Society, with your special one-time gift.

HELP US MAKE A LIVING TRIBUTE

You've known him through the years in every imaginable facet of the hobby. As a veteran quartet singer and performer. As a director of major men's and women's choruses. As a judge and coach. As a tireless worker and leader of our Barbershop Harmony Society.

Darryl Flinn's life in barbershop harmony has touched tens of thousands of lives of singers, audiences and friends. In tribute to his enormous contributions, Harmony Foundation is pleased to offer a unique way of paying honor to Darryl at the upcoming convention in Louisville. A beautiful commemorative piece will be commissioned, recognizing gifts to Harmony Foundation made by his many friends throughout the world.

We invite you to make a special one-time gift honoring Darryl's enormous gifts shared among us all. Your support for Harmony Foundation helps future generations of singers enjoy the thrill of making music with friends which has been the constant thread of Darryl's life.

Whether you were a quartet singer he coached, a chorus singer under his direction, a contestant he judged (and so gently evaluated!), or a fan who laughed and clapped for his great quartets...you've had a share in the joy Darryl exudes throughout the barbershop world. Let the light shine through this living tribute to our friend and brother in harmony, Darryl Flinn.

Celebrating A Life Of Harmony

"Barbershop has been the central theme of my life for 55 years. How better could a man combine his love for his family, for music and for his fellow singers than to be a part of this magnificent barbershop society?"

—Darryl Flinn, a.k.a. "D"
