Authorized users may browse **COLLATERAL.LY** for available materials. They may download PDFs and other electronic files, and may order print assets from inventory.

Administrators add, update and track assets.

COLLATERAL.LY builds on a simple, straightforward e-commerce platform to catalog all your marketing assets—print and digital.

- ▶ View all your marketing collateral
- ▶ Download PDFs of print materials
- ▶ Access digital assets immediately
- ▶ Review and maintain print stock levels
- ▶ Direct where you want materials shipped

- ▶ Order reprints to replenish your stock*
- ▶ Request design/layout updates*
- ▶ Manage admin and user roles
- ▶ Use in any browser, on any device
- ▶ Install no new software

*Services provided by GS Marketing Group at additional charge.
