

# CHICAGO RIVERWALK

**Matthews  
Paint in an  
Aerosol**

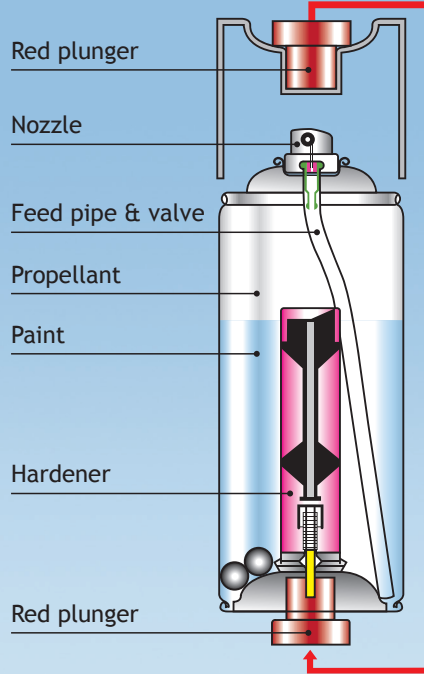

**Quickly and Easily  
Repair Scratched or  
Damaged Signs**

Launched at ISA in Orlando,  
EZ Spray is now available.

- 2-component technology comprises Matthews paint and hardener in one can so there is no need to worry about mixing in the field.
- Hardener is integrated in a separate cylinder and is released when the drive pin punctures the cylinder.
- Allows for custom mixing of any N, SOA or SVOC color or clear.

Contact your distributor or  
Matthews Paint representative  
for more information.
