PaviPlay School

PaviPlay™ Air Flooring

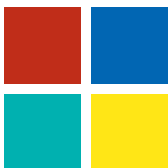

PORTABLE CHILDREN'S FLOORING

A Safe Play Surface

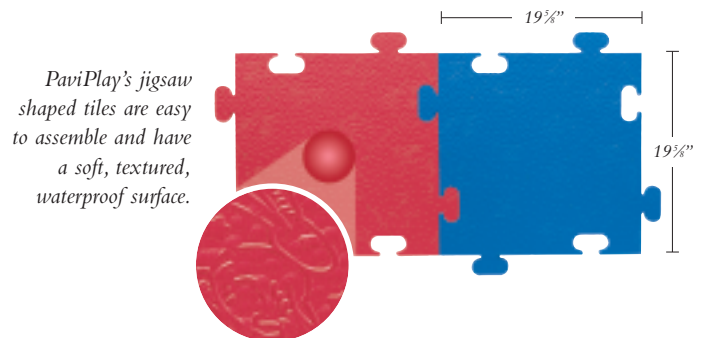

Made from millions of tiny air bubbles to protect children from tumbles and falls, PaviPlay is the ideal flooring for school and home. PaviPlay has a soft, textured surface and insulates against cold, damp floors. The air flooring releases a soft, lavender aroma, does not contain PVC, and possesses a patented anti-bacterial protector. (Shoes are not recommended.)

Easy to Assemble and Clean

Each PaviPlay kit comes complete with center, corner, and edging pieces that fit together like a jigsaw. Assembly is so easy that a play surface can be constructed anywhere in a matter of moments. The waterproof surface can be cleaned easily with everyday household products—perfect for those unwanted spills and accidents.

Each kit contains tiles in a combination of red, blue, green, and yellow. Color variations may differ from catalog.

PaviPlay Family

*Custom kit sizes available.

- Easy to Install, Clean and Maintain
- No Glue or Adhesive Needed for Installation
- Non-Slip, Textured Surface
- Provides Lateral Support
- Absorbs Sound. Insulates Heat. Repels Moisture.
- Antibacterial Protection

PAVIGYM™ Modular Tiles

ORIGINAL AIR FLOORING SYSTEMS

Air Bubbles Provide Comfort and Protection.

The secret to PaviGym Tiles comfort and safety is an Air Flooring System. Comprised of millions of micro air bubbles that absorb impact, this PaviGym Tiles provide maximum comfort while protecting the athlete from potential injury.

Quick & Easy Installation

An interlocking flooring system, PaviGym tiles are easy to cut and fit in rooms of all sizes and does not require messy adhesives, special tools, or extensive floor preparation. All you need is a utility knife.

Easy to Clean & Maintain

PaviGym Tiles are 100% waterproof, stain resistant, and easy to clean with a broom or vacuum, mop, and mild detergent. The synthetic, interlocking tiles fit together tightly, preventing water, dust, and dirt from filtering through.

An interlocking flooring system, PaviGym tiles are easy to cut and fit in rooms of all sizes.

Mix and match PaviGym's colored tiles to create dynamic patterns that will enhance your fitness facility.

Maximum Shock Absorbency and Rebound

PaviGym Tiles absorb the impact of exercise, avoiding injury, breakage, and noise. Consisting of an elastic material, the tiles provide excellent return of energy. After momentary compression due to impact, the micro-bubbles return to their original size, producing excellent resiliency.

Choose the ideal PaviGym modular tile system for your facility.

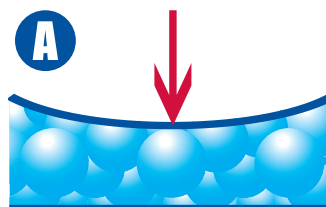

Product	Application	Tile Size	Tile Thickness	Item#	Price	More Info.
PaviGym Group-X	Group-X Rooms	39%'' x 39%''	3/8''	PVGA01	\$5.21 sq ft	Page 19
PaviGym Tatami	Martial Arts Rooms	39%'' x 39%''	3/4''	PVGT20	\$4.53 sq ft	Page 20

PaviGym Indoor Cycle	Indoor Spin Areas	27%'' x 27%''	3/16''	PVGICT	\$8.50 sq ft	Page 21

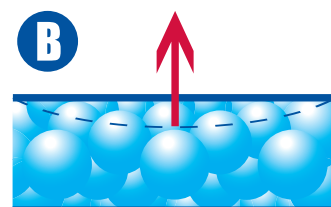

Add a touch of class to your Group-X room with PaviGym's premium "wood grain" patterns.

PaviGym Group-X Tiles feature a unique surface texture that eliminates slipping without impeding movement.

Shock Absorbency—On impact, air bubbles compress to absorb energy and shock.

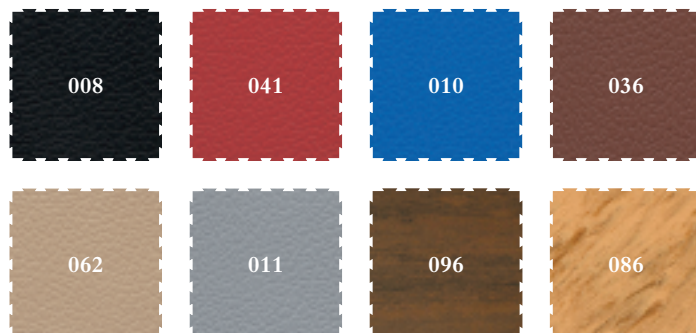

Rebound—Composed of an elastic material, PaviGym provides an excellent restitution of energy.

PAVIGYM Group-X™ Tile

PaviGym Group-X Tile is the secure solution in sports flooring for aerobics, step aerobics, pilates, and yoga. The Air Flooring System's micro-bubbles absorb impact and restore energy, bringing regularity of rebounds, reduction of fatigue, and elimination of injuries. The non-slip surface protects the athlete from injuries without hindering movement.

Product	Item#	Price
PaviGym Group-X	PVGA01	\$5.21 sq ft*

Transitions are also available. *Wood grain patterns are available at additional cost.

PaviGym Group-X is available in black—008, red—041, blue—010, brown—036, beige—062, grey—011, dark wood—096, and light wood—086. Please specify color when ordering. Color variations may differ from catalog.

ComfortMats & Hanger

PAVIGYM ComfortMat™

ComfortMat, a unique gym mat, provides maximum comfort and protection. Unlike most gym mats that are either too soft or too thin, ComfortMat is 15mm thick, protecting the athlete from the hard, cold floor. Antibacterial protection improves hygiene and a soft aroma reduces odor. ComfortMats come with grommets for easy storage.

PAVIGYM ComfortMat Hanger™

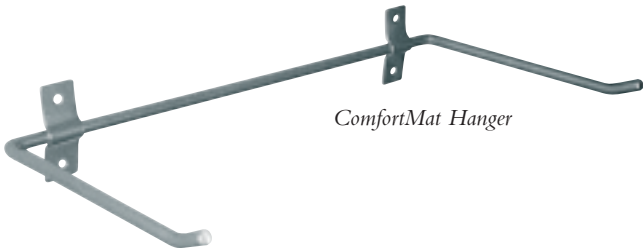

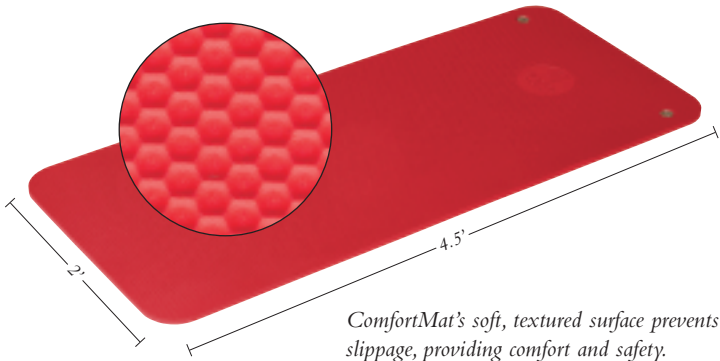

The ComfortMat Hanger allows you to make efficient use of valuable space by storing up to 10 mats.

PAVIGYM Tatami™ Tile

Because Martial Arts is a high injury risk sport, it is essential to have a floor that absorbs a high degree of energy and returns that energy gradually. PaviGym Tatami Tile protects the athlete from painful falls by absorbing impact, compressing temporarily, and gradually returning the energy.

PaviGym's Tatami's textured surface eliminates slipping and friction, allowing for safe movements in the practice of Martial Arts.

ComfortMat Hanger

ComfortMat is available in purple-026, green-033, grey-011, blue-010, and red-041. Color variations may differ from catalog.

PaviGym Tatami is available in red-041, blue-010, green-033, grey-011, and black-008. Please specify color when ordering. Color variations may differ from catalog.

ComfortMat (10 or more)	PVGCM	\$39.00 each
ComfortMat Hanger	PVGEG	\$25.00 each
PaviGym Tatami	PVGT20	\$4.53 sq ft

PAVIGYM Fitness™ Tile

PaviGym Fitness Tile is ideal flooring for exercise machines, cardio rooms, and spinning rooms. It is comfortable to walk on without excessive slipping or friction. The Air Flooring System is comprised of millions of micro air bubbles that absorb the impact of exercise and the vibration of exercise machines, preventing injury, breakage, and noise.

PAVIGYM Free Weight™ Tile

30mm of air flooring makes PaviGym Free Weight Tile the best choice for weight lifting areas. PaviGym Free Weight Tile absorbs the impact of falling weights, protecting against injury, breakage, and noise.

PAVIGYM Indoor Cycle™ Tile

PaviGym Indoor Cycle Tile is designed to absorb vibrations and protect floors from damage caused by indoor cycle exercises. Easy to install and completely portable, the modular flooring system allows you to cover the entire floor or just the specified cycling area.

PAVIGYM Indoor Cycle™ Mat

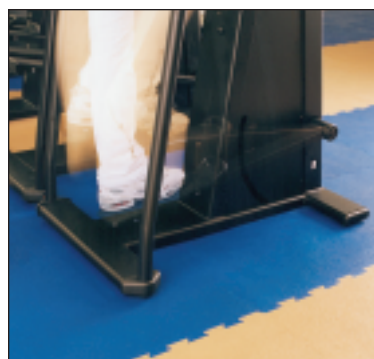

PaviGym Indoor Cycle Mat protects your facility's floor while absorbing vibrations caused by indoor cycle machines. The mat is .12" thick and measures approximately 49¼" x 29½". Available in black only.

PAVIGYM Edger™

Give your floor a professional look with PaviGym Edger. These strips can be used with PaviGym Group-X and PaviGym Fitness Tiles.

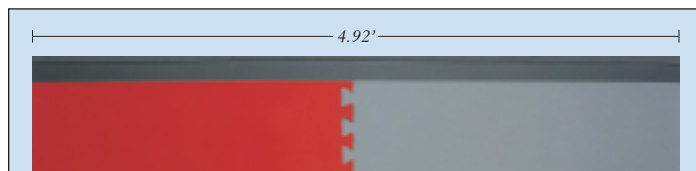

PaviGym Fitness and PaviGym Indoor Cycle are available in black-008, red-041, blue-010, brown-036, beige-062, and grey-011. PaviGym Free Weight is available in blue-010 and grey-011. Please specify color when ordering. Color variations may differ from catalog.

PaviGym Fitness absorbs the vibration and noise of exercise machines.

Personalize your PaviGym floor with your facility's logo.

PaviGym Edger gives your floor a professional look and can be used with PaviGym Group-X and PaviGym Fitness Tiles. (PaviGym Edgers available in grey only.)

CourtClean & Start-Up Kit

Floor Maintenance Products

Floor Maintenance And Adhesives

CLEANERS AND ADHESIVES TO CARE FOR YOUR KIEFER FLOORING

Polyurethane Adhesive for Indoor & Outdoor Installations*

P.U. 100 is a high-performance, two-component polyurethane adhesive for both indoor and outdoor installations of all resilient floor coverings. Indoor on smooth concrete, coverage approximately 170 square feet per 1.9 gallon unit.

Product/Description	Item #	Price
P.U. 100, 1.9 gallon unit	PU100	\$82.00 unit

Urethane Adhesive for Indoor & Outdoor Rubber Flooring*

Formulated specifically for use with rubber flooring systems, E-Grip II is a low VOC, one-component urethane adhesive with excellent trowelability and superior tack properties. Indoor on smooth concrete, coverage approximately 100 square feet per gallon. Trowel size is 1/16" square notch.

Product/Description	Item #	Price
E-Grip II, 5 gallon unit	EGRIPII	\$156.00 unit

Solvent-Free, Acrylic-Based Adhesive*

M.P. 500 is a solvent-free, acrylic-based adhesive specifically designed for the permanent installation of roll goods and tiles. When dry, M.P. 500 develops a strong bond strength which limits the dimensional movement of the flooring. Indoor on smooth concrete, coverage approximately 175 square feet per gallon. Trowel size is 1/16" x 1/16" x 3/32" U-notched.

Product/Description	Item #	Price
M.P. 500, 4 gallon unit	MP500	\$115.00 unit

Wood Gym Floor Cleaning System*

Easily wet-mop the entire gym floor in just minutes with Court Clean. Simply dampen the 8-foot custom towel, attach it to Court Clean, and pull it up and down the floor. The lightweight 40lb design and unique pull action make Court Clean easy to maneuver. Court Clean also works great on wrestling mats and long hallways.

Product/Description	Item #	Price
8' CourtClean w/ 1 Custom Towel	CC100	\$375.00 each
8' CourtClean Custom Towel	CC200	\$23.00 each
SuperShine-All/1 gallon	CC400	\$19.00 each
SuperShine-All/5 gallon	CC410	\$87.00 each
CourtClean Start-Up Kit (4-8' towels, 1 gallon SuperShine)	TKH800	\$99.50 each

Rubber & Synthetic Sports Floor Cleaning System*

Taski Profi is a solvent free, oil and grease remover with a neutral pH (8.8). It is the recommended cleaner for our rubber flooring products. Taski Profi has the flexibility to be used with auto scrubbers or a mop, making Profi the ideal product for the toughest conditions.

Product/Description	Item #	Price
Taski Profi, 4-1 gallon units	P92009-4	\$74.00 unit
Taski Profi, 5 gallon unit	P92023	\$68.00 each
Taski Profi, 55 gallon drum	P92029	\$655.00 each

*Material Safety Data Sheets available upon request.

Dover Tile

Copley Tile

KIEFER Carpet Tiles

FOR HEAVY TRAFFIC AREAS

Superior Quality and Durability

KIEFER Carpet Tiles are made of 100% solution-dyed, UV stable, polypropylene fibers that will not pull apart like other carpeting can. Exceptionally durable, KIEFER Carpet Tiles are ideal for fitness areas that are subjected to heavy foot traffic, free weights, and exercise machines. Crush resistant, KIEFER Carpet Tiles resist denting and marking that can be caused by heavy, exercise equipment. Featuring a unique bitumen backing, KIEFER Carpet Tiles are dimensionally stable and will not curl.

Repels Moisture and Resists Stains

Made from anti-microbial, moisture repellent fibers that will not mildew, rot, or stain, KIEFER Carpet Tiles are great for high moisture areas such as locker rooms, saunas, pools, and drink stations.

Easy Installation & Low Maintenance

KIEFER Carpet Tiles may be installed with traditional release adhesives. With no fumes, no mess, and no dry time installation is quick and easy. Vacuum daily with a commercial grade vacuum cleaner. Periodically clean with a hot water extraction machine to keep tiles looking new.

Dover Tile

The three dimensional, diagonal-rib design of Dover Tile creates a distinct appearance for your fitness facility. Quarter-turn installation forms a parquet pattern.

Copley Tile

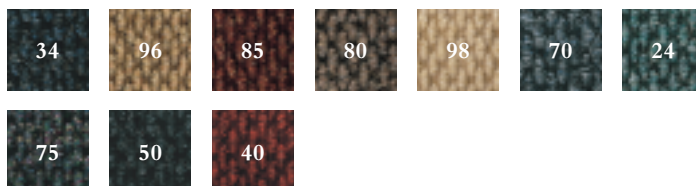

The Berber-like design of Copley Tile offers the look of luxury carpet. Its vibrant, natural color palette allows you to create beautiful borders, fields, and patterns.

Because the fibers in KIEFER Carpet Tiles will not pull apart or unzip the way other carpets can, the patterns, curves, borders, and logos in your design will consistently look great.

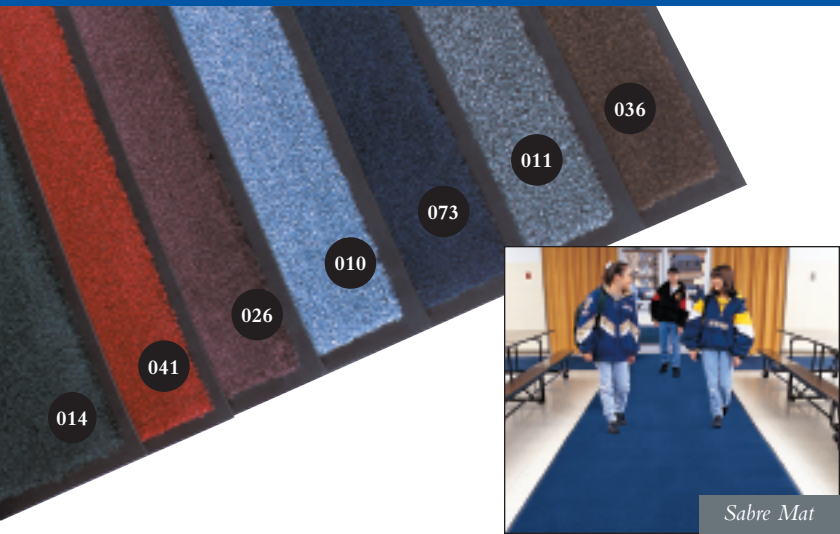

Dover Tiles are available in teal-24, charcoal-07, grey-14, blue-36, beige-17, cranberry-16, chocolate-12, elmwood-54, pearl blue-10, and purple-46. Please specify color when ordering. Color variations may differ from catalog.

Copley Tiles are available in pacific blue-34, straw-96, brick-85, chestnut-80, bamboo-98, slate blue-70, sea foam-24, enchanted forest-75, anthracite-50, and ruby-40. Please specify color when ordering. Color variations may differ from catalog.

Product	Size	Thickness	Item #	Price
Dover Tile	19 ¹ / ₁₆ " x 19 ¹ / ₁₆ "	3/8"	DT	\$189.00 per case*
Copley Tile	19 ¹ / ₁₆ " x 19 ¹ / ₁₆ "	3/8"	CT	\$189.00 per case*

*Each case contains 20 tiles or 54 square feet of carpet. Rolls are also available.

Sabre Mat

FOR LIGHT/MEDIUM FOOT TRAFFIC

Designed for use in light to medium foot traffic, Sabre Mat’s durable Decalon® fibers retain grime and moisture at entrances and passageways, thereby reducing slip hazards and floor care maintenance.

- 19oz of carpet per sq yard offers good water retention
- Low profile, cut pile carpet provides traditional decór appearance
- Overall thickness: 5/16”
- Thick vinyl backing reduces mat movement

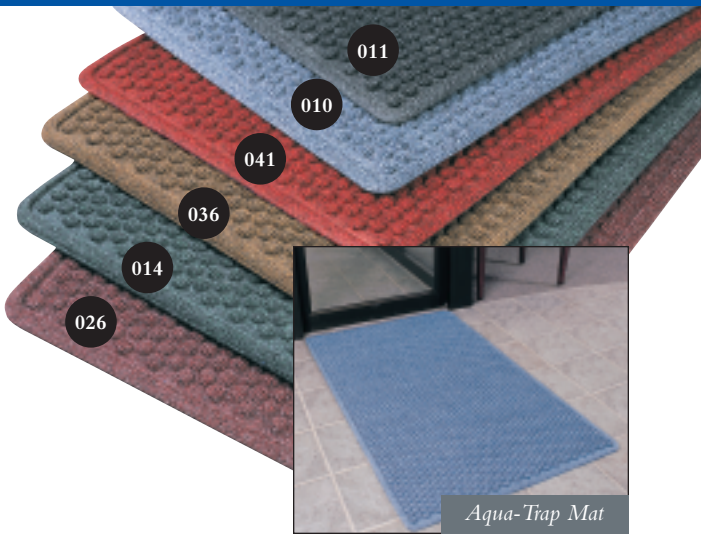

Available in hunter green–014, red/black–041, burgundy–026, slate blue–010, navy blue–073, charcoal–011, and brown–036. Please specify color when ordering. Custom lengths available.

Heritage Rib Mat

FOR MEDIUM/HEAVY FOOT TRAFFIC

Ideal for areas that need extra moisture retention and scraper action, Heritage Rib Mat’s advanced barrier reduces slip hazards and floor maintenance by trapping grime and moisture.

- 26oz of carpet per sq yard
- High/Low needle-punched rib design for superior scraping
- Overall thickness: 3/8”
- Thick vinyl backing reduces mat movement

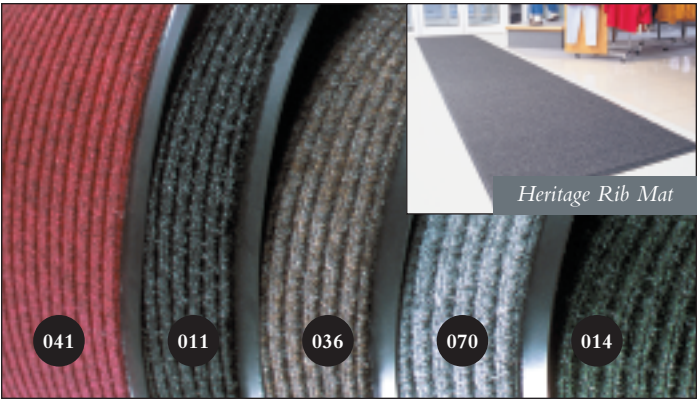

Aqua-Trap Mat

FOR HEAVY FOOT TRAFFIC

Designed for heavy foot traffic, Aqua-Trap Mat features a patented raised perimeter that forms a tray to trap water and dirt. This “Aqua-Dam” prevents drainage onto the floor.

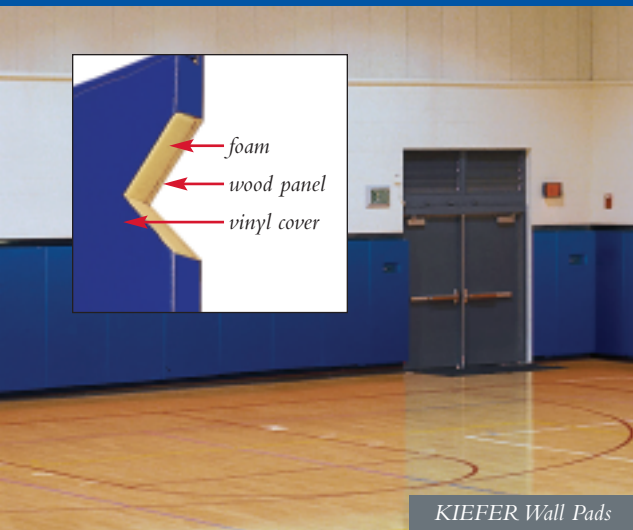

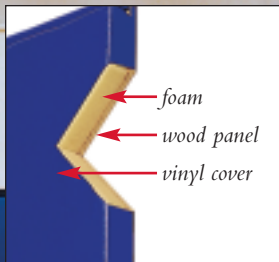

- Ideal for heavy traffic
- 26oz of carpet per sq yard
- Molded bubbles, needle punch design allows mat to stay dry
- Overall thickness: 7/16”
- Thick vinyl backing with rubber nibs reduces movement

Available in charcoal–011, slate blue–010, red/black–041, brown–036, hunter green–014, and burgundy–026. Please specify color when ordering.

Available in red/black–041, charcoal–011, brown–036, grey–070, and hunter green–014. Please specify color when ordering. Custom lengths available.

KIEFER Wall Pads

Team Spirit Wall Pads

Goal Post Pad

Protective Wall, Post, and Floor Padding

PROTECTIVE PADDING FOR GYMNASIUMS AND STADIUMS

KIEFER Wall Pads

Increase the safety of your gym or activity room with these padded wall panels that are custom made to your specifications. Panels are made from 1.5" laminated polyethylene foam that is attached to a 3/8" wood panel. A 1" nailing margin is provided at top and bottom for securing panels to wall.

Team Spirit Wall Pads

Generate school enthusiasm with KIEFER's line of colorful Team Spirit Wall Pads. These 6' x 12' pads incorporate the highest quality protective foams and fabrics. Pads are lightweight and portable, allowing for easy storage. Choose from 12 styles and 85 color options.

6' Goal Post Pads

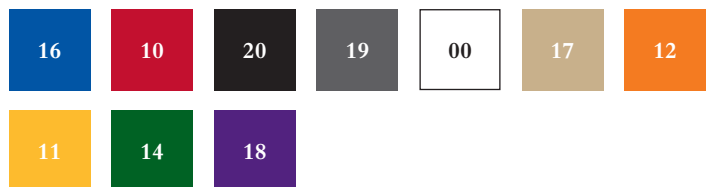

KIEFER's standard 6' x 16" diameter Goal Post Pads offer the ultimate protection and appearance for your stadium. Foam core is made of prime 44 ILD polyurethane. Cover material is made of 14oz vinyl. Hook and loop fasteners run the entire length of pad for easy and secure installation. Standard lettering is available at no additional charge.

Foamed Backed Carpet

Foamed Backed Carpet provides superior, non-slip traction for a variety of indoor sports including cheerleading, gymnastics, tumbling, and aerobics. 1 1/8" thick and made from cross linked polyethylene foam, Foam Backed Carpet provides superior resiliency. Carpet and foam are permanently bonded to eliminate carpet wrinkling.

Team Spirit Wall Pads are available in a variety of styles and colors. Ask your Kiefer representative for additional style and color choices.

Kiefer Wall & Goal Post Pads are available in blue-16, red-10, black-20, grey-19, white-00, tan-17, orange-12, yellow-11, green-14, and purple-18. Color variations may differ from catalog.
