Pavi **Home** 

Lifestyle Flooring For Your Home

Pavi Home

Antibacterial, Mold Resistant, Hypoallergenic

PaviHome™ promotes a healthy living environment with its antibacterial, hypoallergenic, and mold resistant qualities.

Advanced Comfort & Protection

PaviHome™ is comprised of millions of micro air bubbles that absorb impact, sound, and vibration from fitness equipment. It also acts as an insulation barrier, making it great to use in damp basements.

Variety of Applications

PaviHome™ is ideal for a variety of applications including home fitness areas, playrooms, home offices, basements, recreation rooms, lofts and bedrooms.

Variety of Colors

Mix and match PaviHome's™ colored tiles to create dynamic patterns that will enhance your home.

Quick & Easy Installation

PaviHome™ tiles are easy to cut and fit in rooms of all sizes. Installation does not require messy adhesives, special tools, or extensive floor preparation. All you need is a utility knife.

Easy to Clean & Maintain

PaviHome™ is 100% waterproof, stain resistant, and is easy to clean with a broom or vacuum, mop, and mild detergent. The synthetic, interlocking tiles fit together tightly, preventing water, dust, and dirt from filtering through.

Warm, Textured, Non-Slip Surface

The soft textured, non-slip surface feels warm and great on bare feet!

Note: PaviHome™ is not recommended for use over radiant floors.

application & thickness recommendations

All PaviHome™ tiles measure **39 3/8" x 39 3/8"**
