

# Pavi Home

## Lifestyle Flooring For Your Home

### Antibacterial, Mold Resistant, Hypoallergenic

PaviHome promotes a healthy living environment with its antibacterial, hypoallergenic, and mold resistant qualities.

### Advanced Comfort & Protection

PaviHome is comprised of millions of micro air bubbles that absorb impact, sound, and vibration from fitness equipment. It also acts as an insulation barrier, making it great to use in damp basements.

### Variety of Colors

Mix and match PaviHome's colored tiles to create dynamic patterns that will enhance your home.

### Quick & Easy Installation

PaviHome tiles are easy to cut and fit in rooms of all sizes. Installation does not require messy adhesives, special tools, or floor preparation. All you need is a utility knife. PaviHome can be installed directly on concrete or plywood.

### Easy to Clean & Maintain

PaviHome is 100% waterproof, stain resistant, and is easy to clean with a broom or vacuum, mop, and mild detergent. The synthetic, interlocking tiles fit together tightly, preventing water, dust, and dirt from filtering through.

### Warm, Textured, Non-Slip Surface

The soft textured, non-slip surface feels warm and great on bare feet!

Note: PaviHome is not recommended for use over radiant floors.

## PaviHome Is Ideal For:

- Home Fitness
- Rec Rooms
- Basements
- Home Offices
- Bedrooms
- Playrooms
- Laundry Rooms
- Lofts
