Written with loving care by Father Anthony Paone, this devotional will strengthen your love for Christ and his teachings.

Written as a dialogue with Christ himself, Father Paone leads the reader through the three ways of the spiritual life: Purification, Imitation, and Union. Arranged for daily reflection this indispensable guide to the spiritual life is now in a full-size version! *My Daily Bread* overflows with reflections and prayers specifically designed to help you grow in the spiritual life and overcome failings, including:

- How to cultivate, recognize, and follow your conscience
- A contemplation of the Four Last Things that will help keep your focus on the eternal
- The power of prayer as the first remedy to temptation
- A detailed guide on how to conquer a host of bad habits
- How to overcome your fear of suffering and instead embrace it as Christ embraced it
- How to live for Christ daily through spiritual reading, prayer, overcoming distractions, and cultivating devotions
- And much more...

Each daily reflection begins with Jesus speaking directly to you, kindly, patiently, and with great love. The next part of the reflection asks you to consider the truths presented in the words of Jesus. The final part consists of a prayer asking God for the help to receive His wisdom and use it fruitfully in your life.

## The Woman Who Said Yes; The Angel Who Said No

### *Queen of Heaven: Mary's Battle for Souls*

She is history's most famous woman. Those who come to her at their hour of need are welcomed with a mother's love, compassion and care. She is gentleness itself to all who turn to her, save one: To Lucifer, the devil, she is an implacable foe.

*Queen of Heaven* is the story of the battle between the angel who said "no" to God, and the woman who said "yes." It is a battle that has flared through history to the current day.

*Queen of Heaven* is an encounter with Mary as you have never had before. Accompany Mary from her Immaculate Conception through her Assumption and beyond. Join her as she defends Christendom at Lepanto, frees a captive people at Guadalupe and heals a broken nation at Lourdes. Listen to her at Fatima as she predicts the rise of Communism—and watch as she defeats it through her beloved Pope.

Above all, discover why, though the battle continues, victory is assured to all who turn to the *Queen of Heaven*.

Every parent knows that we can learn from children, but some extraordinary children seem sent by God to teach us about the "big questions". The children in this book, all of whom suffered terribly during their short lives, bore witness to God's love and remind you that this present life is not all there is.

## Escape the Kingdom of Man

*Kingdom of Happiness*

FR. JEFFREY KIRBY, STC

In this encouraging, easy-to-read book, Father Jeffrey Kirby offers hope to the tired, overburdened, and unhappy. He reminds us that we are made for happiness. But he goes beyond that, showing us the path to achieving happiness. It's not a new path. In fact, Jesus showed us the way in the Beatitudes, but *Kingdom of Happiness* reveals how these aren't merely nice sayings; they are powerful ways of living.

Fr. Kirby first identifies the sources of unhappiness: the false promises—the anti-beatitudes—of a fallen, busy world. He explains how these anti-beatitudes, far from leading to happiness, tear down and rob us of happiness. Kirby leads the reader out of this darkness, pointing us to Jesus Christ as the saint-tested and centuries-proven source of authentic peace, true joy, and radical happiness.

To unveil the path to happiness in Jesus Christ, Kirby does not rely on emotional arguments or soft spirituality. He turns to the boldness of the Lord's Beatitudes, the real promises to true happiness. He teaches about the love, power, and self-control within them by showing their practical life-application in today's world.

*Kingdom of Happiness* shows that the Beatitudes are not a self-help guide or a boring list of eight more things to do, but are a series of grace-filled, life-giving promises that excite our souls and point us along a way of life that assures us of true, lasting happiness.

"A guidebook for real happiness..."

## Discover the key players who shook the Church and the world

*Heroes and Heretics*

PHILLIP CAMPBELL

Not since the birth of Christ has an event shaken the foundations of the Western world like the Reformation. Now, 500 years after Luther nailed his ninety-five theses to the door at Wittenberg—the sound of which served as the thunder presaging the storm to come—Phillip Campbell casts fresh eyes on that tumultuous time and its most influential characters.

In these pages meet as you've never met before:

- Martin Luther: the tortured Augustinian monk whose act at Wittenberg called forth the storm
- Thomas Müntzer: the radical who, inspired by the new way of thinking and his own apocalyptic views, sought to use the sword to usher in the reign of God; he would feel the sting of Luther's words and the bite of the executioner's blade.
- The queens: Mary and Elizabeth Tudor, who were at different times bastardized and delegitimized by their father Henry VIII, but who each reigned during this period of upheaval. One is known to history by a derogatory epithet, while the other, "bloodier" still, has an epoch named in her honor.
- The popes: Paul III and Pius V, each of whom sought to save what could be saved of Christendom, one through the calling of the Council of Trent, which codified an authentic Catholic Reform, and the other through the calling of a new crusade to fend off the ever-threatening Turks.
- St. Peter Canisius: who lived a life of sanctity as he tried to reconcile those who had drifted away back to the Church.

Through the lives of those above and others, dramatically unfolded in Campbell's stirring narrative, learn how the heroes and heretics of the tumultuous sixteenth century shook the world, for better or for worse.

## 100 Holy Hours *for* Women

**NEW!**

Taste the goodness  
of the Lord through  
Eucharistic adoration

***100 Holy Hours for Women***

MOTHER MARY RAPHAEL LUBOWIDZKA

"Draw near to God, and he will draw near to you" (James 4:8). Christ waits for us, every day, in the Eucharist. But, in the chaos of our lives, we often find it difficult to draw near to him. Even when we make the time to be in his presence, we lose focus, become distracted, or grow impatient with ourselves. *100 Holy Hours for Women* provides a solution with its collection of one hundred Eucharistic meditations, giving inspiration for directed, efficacious prayer before Our Lord in the Eucharist. Whether you are a mother, a single woman, or a consecrated religious, this spiritually uplifting work is a valuable resource for cultivating an intimate relationship with our Eucharistic Lord.

Originally written as a religious sister's guide for daily adoration, *100 Holy Hours for Women* contains a plethora of profound spiritual insight into the mystery of the Eucharist. Each of the meditations focuses on a single verse from Scripture. The first part of the mediation explores the deeper implications of the verse, especially in light of the Eucharist. Then, the second half of the mediation takes the form of a personal examination and a prayer, with questions and exhortations to encourage the adorer to look at and cultivate her own spiritual life.

These meditations draw from the entirety of Sacred Scripture, particularly following Christ's life, death, and resurrection. Through them, learn to look to the Virgin Mary and the angels as models of perfect adoration. By fruitful meditation and grace, develop virtues such as gratitude, faith, love, trust, and humility, all of which are absolutely essential for living in union with Christ.

Get to know the new  
little saint of Fatima

***Jacinta: The Flower of Fatima***

CARDINAL HUMBERTO S. MEDEIROS

FOREWORD BY MSGR. FULTON SHEEN

This book made Our Lady of Fatima known to the world! Written shortly after the apparitions, the account here relies on the living memory of eyewitnesses and on the words of Lucia herself, who had been specifically interviewed for this book. Truly, this is a moving firsthand account of the life of the youngest saint of Fatima—and one the newest saints of the Church—Jacinta Marto.

Jacinta, newly canonized in March 2017, is unique among the seers of Fatima in her ready, childlike enthusiasm to fulfill Mary's request, that they love God and offer reparation for sin. From then, Jacinta's life was consumed by an atoning love which made sacrifices of the biggest and the smallest things she experienced. Despite much persecution and suffering at the hands of both strangers and family, this little girl overcame her fears and attachments and became a saint, offering her life completely for love of Jesus and Mary.

Told delightfully against the charming backdrop of the peaceful, natural beauty of Fatima, this is the intimate story of how the young Jacinta overcame her childish selfishness to become one of the most selfless saints of our day. It is a testimony to the power of her intercession, for the voice of the littlest, most innocent, and most fiercely loving saints of God has swayed him, time and again, to heal bodily ills and touch the most hardened of sinners.

One evening, the apostles were rowing across the sea when a strong wind began to blow. Soon the sea was covered with whitecaps and the little boat rocked from side to side. As the wind blew harder and harder, the waves slapped against the boat.

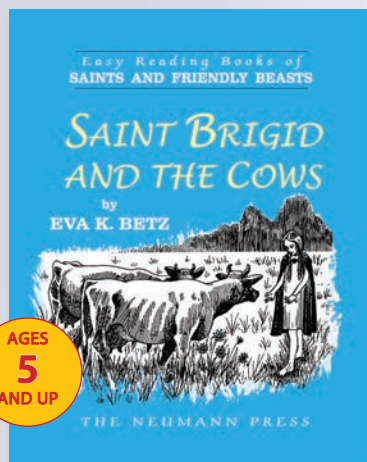

With all my heart I said yes. God had chosen a good man named Joseph to be my husband. He would help me care for the Baby Jesus.

Kings came too, from the far lands of the East, and they brought rich gifts for the Baby in the manger. They had seen His star shining in the sky, and they had come to adore the greatest King of all.

### *Manual for Conquering Deadly Sin*

BY FR. DENNIS KOLINSKI, S.J.C., CAN-  
ONS REGULAR OF ST. JOHN CANTIUS  
ARRANGED BY RYAN GRANT

It is of vital importance that each individual soul recover this lost sense of sin and to begin the struggle to conquer the deadly sins that threaten his or her salvation. The *Manual for Conquering Deadly Sin* will help you do just that in your own life.

In any struggle, you must know your enemy. Hence, Part I:

- Defines sin and distinguishes between mortal and venial sins.
- Examines each of the classical seven deadly sins: lust, gluttony, avarice, sloth, anger, envy, and pride.
- Reveals their causes, manifestations, and more.
- Provides specific advice and remedies for conquering each deadly sin in your own life.
- Identifies those corresponding virtues which must be cultivated in order to rid yourself of deadly sin.

Part II features a compilation of passages from Church teaching and Scripture, along with quotes from the saints that complement and give life to the reflections in Part I.

As Fr. Kolinski makes clear, the truest medicine is found in the sacramental life of the Church. But in addition to the graces found in frequent confession and reception of the Eucharist, the *Manual for Conquering Deadly Sin* will be an indispensable aid in your fight; an invaluable resource for every person serious about salvation.
