YOU'RE COVERED

Easy to type. Easy to clean.

Ideal for healthcare and foodservice environments, CHERRY's EZCLEAN™ KC 1000 keyboard features a secure-fitting, smooth silicone cover that's easy to clean with most common cleansers and provides an exceptional tactile feel. Traditional keyboards, and even some sealed antimicrobial keyboards, are vulnerable to germs and bacteria, especially in hard to clean areas. **The EZCLEAN™ KC 1000 keyboard...just type and wipe.**
